recessed and on surface

Patented

ORBIT PLUS 24 is an adjustable spotlight designed for recessed installation in Ø68 mm holes, ideal for all furnishing compositions where a beam needs to be directed. The fixing system, with two steel clamping springs, is easy to install without the use of tools. **ORBIT PLUS 24** incorporates a high-performance SMD LED module with no-dot effect technology, ensuring a uniform projection beam without the dot effect.

Colour appearance	natural white
